More Than Half Million In Construction Begins

More than a half million dollars, of new construction was started in Torrance during January, the city building inspector's office reported today.

Total value of building permits granted during the month amounted to \$584,028. The figure for January, 1951, however, amounted to \$10,030,980, city building records disclosed.

NEW SCHOOL

Among the permits issued last month was one for an Beach blvd. In addition the Longren Aircraft Corp. was granted permission to build a \$100,000 manufacturing building at 2576 Carson ave.

February has promise of being an excellent month in building, city officials said today.

General Petroleum Corp. is scheduled to take out a permit to build at \$500,000 addition to its Torrance refinery. This has been identified as a Straight Run Deisobutanizer unit.

No errors of opinion can possibly be dangerous in a country where opinion is left free to grapple with them—William G. Simms.

HOME TRACTS

The Berman-Garber home development concern has applied for permits to build 55 \$9500 residences at the community airport tract.

Bowles and Co. is expected to take out permits this month on 175 two and three bedroom homes along the west end of Sepulveda, city officials said.

Last year a grand total of \$12,805,814 in new building was authorized by the city, for the second largest construction year in Torrance history.

Largest building year was in 1950, when \$16,009,783 in new construction was authorized.

That this nation, under God, shall have a new birth of freedom, that government of the people, by the people, for the people, shall not perish from the earth.—Abraham Lincoln.
